● **Public goals on demographics or increasing representation:**
  - Are there general goals stated at your organization for achieving representation?
    - The following committees have written statements with goals for achieving representation:
      - **STRIDE** committee is charged with providing peer education that supports the efforts of search committees, departments/programs, and colleges to recruit, retain, and promote diverse faculty and foster more inclusive and equitable academic spaces for our faculty peers.
      - **Postdoctoral Fellows for Faculty Diversity** program: UMBC is dedicated to ensuring a diverse, inclusive, and scholarly environment that encourages outstanding individuals to enter the academic profession. The purpose of the Program is to support promising scholars who are committed to diversity and
inclusive excellence in the academy and to prepare those scholars for possible tenure track appointments at UMBC.

- **ADVANCE**: the primary mission of UMBC’s ADVANCE Program has been to develop and implement policies which promote the recruitment and advancement of women faculty in science, technology, engineering and math (STEM).

- **Executive Committee for the Recruitment, Retention and Advancement of Underrepresented Minority Faculty** guides the development and implementation of initiatives to address issues and concerns specifically associated with the hiring, retention, and advancement of minority faculty at UMBC.

- **UMBC Inclusion Council** vision statement: We will advance knowledge, economic prosperity, and social justice by welcoming and inspiring inquisitive minds from all backgrounds.

- **Office of Equity and Inclusion** mission statement: UMBC's Office of Equity and Inclusion (OEI) is responsible for promoting and coordinating the University's core values of inclusive excellence and equity, and has primary responsibility for managing UMBC's efforts related to Title IX as well as other civil rights issues, including discrimination, harassment, hate and bias.
