

WVU Campus Resources for Incoming Students, Staff, and Faculty

Brought to you by the Department of Geology & Geography, and the Geo Graduate Group ** please note that many physical locations are closed due to COVID-19, but are operating virtually in some fashion

Ideas to add (but not conclusive!)

Eberly - email Lupe to see if there is anything like this that exists

Missing

- Childcare (not sufficient)
- Few or no established WVU structures to support or accommodate Post-Docs
 - There is a “post-doctoral association” but it seems to be for health center employees only
- Not a good cycling city but improving - buses have racks but very few cycle lanes
 - Lack of sheltered cycle storage (so “bikes will rot in the rain”)
-
