

URGE Resource Map for Salt Lake Community College

This is a draft Resource Map for SLCC Geosciences at Salt Lake Community College.

Updated 5/6/21

Mentoring Plan for New Faculty

- Survey recent faculty hires on what they wished they had when starting. We will use this information to develop a mentoring plan for new Geoscience Dept. faculty.
- Geosciences Faculty will serve as peer-mentors.
- Sitting Committee (including Associate Dean) will guide in goal setting and provide evaluation and feedback.

Challenges of Living/Working in Northern Utah

- Lack of Diversity
- Political Climate
- Dominant Religion
- Cultural Norms
- Neighborhoods & Cost of Housing
- Finding Your Community
