

# Petronet Application Form

Please use this form to sign up for Petronet - a petrology and high temperature geochemistry community centered around inclusivity, anti-racism, and equity.

We will ask for your email address and a bit of other information to give you access to our Slack workspace and mailing list.

We are also collecting optional demographic data to better understand our growing community. The only people with access to these data will be the management team of Petronet. These data will not be used in any way that will identify any specific user. [add disclaimer that some data may be identifiable and don't worry about putting that in if you don't feel like it]
