2. Use the existing literature, expert opinion, and personal experiences to develop anti-racist policies and strategies^{2,3}
3. Share, discuss, and modify anti-racist policies and strategies within a dynamic community network and on a national stage.

We are committed to our pod's objectives:

1. Discuss and assess the racial justice, equity, and inclusivity of our organization.
2. Develop an anti-racism Action Plan with actions specific to issues at Bucknell including methods for measuring and reporting progress.
